WASHINGTON, Sept, 24. So much of General Orders No. 15 as directs the dismissal of Capt. J. O. Patten, of the 73d Ohio, is, by direction of the President, revoked. A special commission, consisting of Generals Hunter, Cadwalader and Anger, and several other officers, with Col. Holt as

Judge Advocate, will assemble here tomorrow for the consideration of such business as may come before them. In addition to Gen. White, Cols. D'U-lassy Trimble and Ford, arrived to-day from Annapolis, under arrest, in connection with

Harper's Ferry surrender. A large crowd assembled at the executive mansion to-night for the purpose of ser-enading the President. Having been cheered and called for, he appeared at an upper window and spoke as follows:

The Postoffice Department has received nformation from various sources, that certain persons persistently divert postage stamps from their legitimate purposes, by calculating them in packages together with cancelled stamps as currency. Owing to this use of the stamps, the Department is embarrassed in the supply for mail pur-poses. The public, therefore, are interested in discountenancing their circulation as currency. In all cases of infraction of the law coming to the knowledge of the Post office Department, the parties will be prose-cuted, as it is a grave offense.
